How to Use This Guide

This guide provides everything you need to know to ride YCAT's bus routes. Here's how to use it.

1. Use the downtown Yuma route map (Page X) and the systemwide map (found in the centerfold of the guide) to identify the route or routes that connect the places you wish to travel between.

2. Use the table of contents on the cover to find the page for your route(s). For each route, the guide includes a detailed route map and a timetable for each direction of travel.
3. The individual route maps will show major destinations and timepoints along the route. The locations where transfers can be made will also be shown on the route map.
4. The timetables shows when the bus serves major stops along the route (timepoints). The timepoints are shown across the top of the timetable. Select the timetable for your direction of travel. Then read down from the timepoint where you will be boarding to see what times the bus will serve that stop. Then read to the right to see when it will reach your destination stop.
5. The bus also serves many other stops in between the timepoints. Use the timepoint before your stop to estimate the time the bus will reach your stop and then be at the stop 5 minutes early as travel times may vary.
6. Please note that not all trips operate on Saturday. The timetable will indicate which trips run on Saturday.

catTRAX: All YCAT routes are catTRAX enabled. To find out when the next bus will come in real time:

- Text the bus stop number (available in this guide, on-line or on the bus stop sign) as yuma ### to 41111
- Visit www.ycat.az.gov • Call (928) 304-7537.

Information about other YCAT services including YCAT OnCall and Vanpool is included later in the book. Use the table of contents on the cover for easy reference.

Cómo usar esta guía

Esta guía incluye todo lo que necesita saber para viajar por las rutas de autobús de YCAT. Aquí le indicamos cómo usar el servicio.

1. Con el mapa de rutas del centro de Yuma (página X) y el mapa de todo el sistema (que se encuentra en el centro de esta guía), identifique la ruta o las rutas que conectan los lugares entre los que quiere viajar.
2. En el índice de la portada, ubique la página correspondiente a sus rutas. Esta guía ofrece un mapa de ruta detallado para cada ruta y un horario para cada dirección de viaje.

3. Los mapas de rutas individuales muestran los principales destinos y horarios a lo largo de la ruta. En el mapa de rutas también se indicarán los lugares donde se pueden efectuar trasbordos.
4. Los horarios indican a qué hora pasa el autobús por las principales paradas a lo largo de la ruta, las cuales aparecen en la parte superior del horario. Seleccione el horario correspondiente a su dirección de viaje. Luego lea a partir de la parada en la que quiere abordar el autobús para ver a qué horas pasará el autobús por esa parada. Luego lea hacia la derecha para ver cuándo llegará a su parada de destino.
5. El autobús también pasa por muchas otras paradas entre las paradas principales indicadas. Use la parada anterior a la suya para calcular el tiempo en que el autobús llegará a su parada y esté ahí 5 minutos antes porque los tiempos del viaje pueden variar.
6. Tenga presente que no todos los recorridos funcionan los sábados. El horario indicará qué recorridos funcionan los sábados.

catTRAX: Todas las rutas de YCAT están habilitadas para el sistema catTRAX. Para averiguar a qué hora llega el próximo autobús en tiempo real:

- Envíe un mensaje con el número de la parada de autobús (disponible en esta guía, en línea o en el cartel de la parada de autobús) con el formato yuma ### al 41111.
- Visite www.ycat.az.gov • Llame al (928) 304-7537.

Más adelante en esta guía, hay información sobre otros servicios de YCAT como YCAT OnCall y transporte compartido. Use el índice de la portada como referencia rápida.

How to Ride YCAT

Bus Stops: YCAT buses only stop at signed bus stops. Flag stops are not permitted. A complete bus stop list for each route is available on our website at www.ycat.az.gov or pick up a bus stop Guide on the bus.

Catching the Bus: Be at the bus 5 minutes before the scheduled departure. Make sure the driver can see you. Check the headsign on the front of the bus to insure you board the correct route.

Paying your Fare: Be ready to pay your fare or present your pass when you board. Exact fare only. Bus Operators cannot make change.

Exiting the Bus: When you see your destination or transfer point, signal the bus operator, by pulling the cord near the window, pushing the yellow strip or calling out "next stop". Please provide enough notice, so that the bus operator can stop safely. If you are not familiar with the area, ask the bus operator for assistance.

Flex Route Deviations: On some routes you can request to be picked up or dropped off at locations between regularly schedule bus stops. Deviations are available:

- Anywhere along Brown Route 3 within the Fortuna Foothills.
- Blue Route 5 within the Fort Yuma Indian Reservation and within 3/4 mile radius of the actual route.
- Purple Route 6A within the Cocopah Indian Reservations.
- Gold Route 8 within 1-1/2 mile radius of the actual route.

For deviated drop off, just ask your bus operator. To be picked up, call (928) 783-2235, at least one hour prior to the bus coming by your location to request a deviation. Deviations are limited to the first four (4) requests per one way trip. Please call ahead to cancel if the deviation is no longer needed to allow another person the opportunity to ride.

Night Owl: At night, upon request, the bus operator can stop at a location that is closer to your final destination rather than the regular stop. The bus operator will determine where it is safe to pull over.

Bicycles: Bicycle racks are located on the front of all YCAT buses. Racks are available on a first come-first served basis. Riders are responsible for loading and unloading bicycles, and use the racks at their own risk. Please let the driver know when you need to load or unload a bike.

Animals on YCAT: Service animals are welcome. Non-service animals may travel on the bus if secured in a cage or muzzle.

Lost and Found: If you leave an item on a YCAT vehicle, please call (928) 783-2235 to see if it has been retrieved. YCIPTA or its contractors are not responsible for lost or stolen items on board its vehicles.

Mobility Training: New to transit? Learn how to ride YCAT and plan your trip. Upon completion of the training, you will receive a free 10-Ride YCATPass. Call (928) 539-7076 or e-mail info@ycipta.az.gov for more information.

Special Services for Persons with Disabilities and Seniors

YCAT OnCall Demand Response Service
This door to door demand responsive bus service is available to persons with disabilities unable to board YCAT buses or access a bus stop. In order to use YCAT OnCall, passengers must complete an Americans with Disabilities Act (ADA) Certification Application. YCAT OnCall operates the same service hours as YCAT non-express fixed route service. Passengers must board, travel and alight within 3/4 mile of an operating YCAT route. Please see the system map for the YCAT OnCall service boundary. For more information about YCAT OnCall, including trip reservations, cancellations and certification, call, visit our website or see the YCAT OnCall Information Guide.

Accessibility

All YCAT vehicles are fully equipped with mobility device lifts and a mobility device securement area with space for two to four mobility devices. The bus operator will provide assistance with normal boarding or exiting, mobility device securement and operation of the lift/ramp. YCAT bus operators are required to secure all mobility devices before the bus can leave the bus stop.

Passengers using a scooter may be asked to transfer to a seat on the bus. All mobility aids must be able to fit within the allocated space, have working brakes and cannot exceed the capacity of the lift/ramp (with the passenger and mobility aid). If the mobility aid cannot fit the lift/ramp platform, the passenger will not be able to ride. Mobility devices with leaking batteries or fluids will not be allowed to board.

If a YCAT bus without a working wheelchair lift arrives at your bus stop, YCAT will send a road supervisor or YCAT OnCall bus within 30 minutes to take the passenger directly to their destination free of charge.

Personal Care Attendants

A PCA can accompany a person with a disability at no additional charge. If you need a PCA, call (928) 783-2235 one day in advance. The rate is \$10.00 per hour.

Other YCAT Services

YCAT Vanpool

Vanpooling is a great option for larger groups of commuters. YCAT Vanpool provides clearly marked vans to qualifying groups of 7-15 commuters, driven by one of the vanpool members. Passengers share the cost of operating the van by paying a monthly fee to the primary driver. The fee covers gas, insurance, and vehicle maintenance costs. YCIPTA provides a \$300 subsidy to vans on a first come, first served basis, through Enterprise Rideshare and vRide. The van must originate, terminate or travel through Yuma County to be eligible for the subsidy. For more information about YCAT Vanpool call, visit our website or read the YCAT Vanpool brochure.

HolidayCAT

Each December, YCAT offers a tour of holiday lights around Yuma for one hour. Buses depart from Downtown Yuma Transit Center at 7:00 PM. Normal fares apply. Call YCAT for details or visit our website.

Savor Yuma Tours

In partnership with the Yuma Visitors Bureau, YCAT operates the Savor Yuma Culinary Tour during the winter/spring time. Passengers will sample field-fresh Yuma fare prepared with border flair. Savor Yuma Tours will take passengers on a culinary quest through a variety of venues with a convivial group. Normal fares apply and reservations are required. Call YCAT for details or visit our website.

Cómo viajar con YCAT

Paradas: Los autobuses de YCAT solo se detienen en las paradas de autobús señalizadas. No se permiten paradas a pedido. Hay una lista completa de las paradas de autobús de cada ruta en nuestro sitio web en www.ycat.az.gov o tome una guía de paradas en el autobús.

Cómo tomar el autobús: Esté en la parada 5 minutos antes de la hora de salida programada. Asegúrese de que el conductor lo vea. Mire el cartel del frente del autobús para asegurarse de tomar la ruta correcta.

Cómo pagar la tarifa: Esté listo para pagar su tarifa o presentar su pase al abordar. Solo se admite el importe exacto. Los conductores de los autobuses no pueden dar cambio.

Cómo salir el autobús: Cuando vea su destino o punto de trasbordo, avísele al conductor del autobús tirando de la cuerda que se encuentra cerca de la ventanilla, presionando la cinta amarilla o avisando que baja en la siguiente parada (“next stop”). Avise con suficiente anticipación para que el conductor pueda detenerse de manera segura. Si no está familiarizado con la zona, pídale ayuda al conductor del autobús.

Desviaciones de ruta flexible: En algunas rutas, usted puede solicitar que lo recojan o lo dejen en lugares situados entre las paradas habitualmente programadas. Las desviaciones son posibles:

- En cualquier lugar a lo largo de la Ruta 3 marrón dentro de Fortuna Foothills.
- En la Ruta 5 azul dentro de la Reserva indígena de Fort Yuma y en un radio de 3/4 milla de la ruta real.
- Dentro de las Reservas Cocopah en la Ruta 6/6A violeta.
- En la Ruta 8 dorada dentro de un radio de 1 y 1/2 milla de la ruta real.

- No flammable, hazardous materials or weapons shall be allowed on board the bus (except oxygen).
- No large object that cannot be held by the passenger or placed under seat. Passengers are allowed up to five shopping bags, luggage or packages.
- Passengers must have a destination when riding YCAT buses. After two round trips, passengers may be requested to leave the bus by the Bus Operator at the nearest transit center or major transfer point.
- A person who commits an assault or battery upon a transit operator with a deadly weapon or presents the ability to use a deadly weapon is subject to a class 6 felony per A.R.S. 13-1204.
- YCIPTA or its transit operations contractor reserve the right to refuse service to passengers and/or suspend passengers who demonstrate disruptive and unsafe behavior or violate any of the rules and regulations presented above.

Simplemente hable con el conductor para que lo deje en uno de los puntos de desviación. Para que lo recojan, llame al (928) 783-2235 al menos una hora antes de que pase el autobús por su ubicación y solicite una desviación. Las desviaciones se limitan a las primeras cuatro (4) solicitudes por viaje de ida. Llame con anticipación si ya no necesita la desviación para que otra persona aproveche la oportunidad para viajar.

Night Owl: Durante la noche, a pedido, el conductor del autobús puede parar en el lugar más cercano a su destino final, en lugar de hacerlo en la parada habitual. El conductor del autobús determinará dónde es seguro detenerse.

Bicicletas: Hay soportes para bicicletas en la parte delantera de todos los autobuses YCAT. Los soportes están disponibles por orden de llegada. Los pasajeros tienen la responsabilidad de cargar y descargar las bicicletas, y el uso de los soportes corre por su cuenta y riesgo. Infórmele al conductor cuando tenga que cargar o descargar una bicicleta.

Animales en YCAT: Se aceptan animales de servicio. Los animales que no son de servicio pueden viajar en los autobuses siempre que estén dentro de una jaula o tengan bozal.

Objetos perdidos: Si olvida un artículo en un vehículo de YCAT, llame al (928) 783-2235 para ver si ha sido recuperado. Ni YCIPTA ni sus contratistas se responsabilizan por la pérdida o el robo de objetos a bordo de sus vehículos.

Capacitación en movilidad: ¿No conoce el transporte público? Aprenda a viajar con YCAT y planifique su viaje. Al terminar la capacitación, recibirá un pase gratis YCATPass de 10 viajes. Llame al (928) 539-7076 o envíe un mensaje de correo electrónico a info@ycipta.az.gov para obtener más información.

Este servicio de puerta a puerta previo pedido está disponible para personas que no pueden abordar los autobuses de YCAT o que no pueden llegar a la parada del autobús. Para usar YCAT OnCall, los pasajeros deben completar una solicitud de certificación conforme a la Ley de Estadounidenses con Discapacidades (ADA). YCAT OnCall opera en los mismos horarios de servicio que el servicio no express de ruta fija de YCAT. Los pasajeros deben abordar, viajar y descender dentro de un área de 3/4 milla de una ruta operada por YCAT. Para conocer los límites del servicio YCAT OnCall, consulte el mapa del sistema. Para obtener más información sobre YCAT OnCall, incluso reservas de viajes, cancelaciones y certificación, llame, visite nuestro sitio web o consulte la Guía de Información de YCAT OnCall.

Accesibilidad
Todos los vehículos de YCAT están completamente equipados con ascensores de dispositivos de movilidad y área de fijación de dichos dispositivos, con espacio para entre dos y cuatro dispositivos de movilidad. El conductor del autobús ayudará con el abordaje o el descenso normal, la

fijación del dispositivo de movilidad y el funcionamiento del ascensor o la rampa. Los conductores de los autobuses YCAT tienen la obligación de asegurar todos los dispositivos de movilidad antes de que el autobús salga de la parada.

A los pasajeros que usen scooter se les podrá pedir que se pasen a un asiento del autobús. Todos los equipos de movilidad deben caber en el espacio asignado, tener frenos que funcionen y no pueden superar la capacidad del ascensor o la rampa (con el pasajero). Si un equipo de movilidad no cabe en la plataforma del ascensor o la rampa, el pasajero no podrá viajar. No se admitirán a bordo dispositivos de movilidad que pierdan fluidos o líquido de la batería.

Si llega a su parada un autobús de YCAT sin ascensor en funcionamiento para sillas de ruedas, YCAT enviará un supervisor de carretera o un autobús YCAT OnCall en un máximo de 30 minutos para llevar al pasajero directamente a su destino sin cargo.

Asistentes de cuidados personales

Un asistente de cuidados personales puede acompañar a una persona con una discapacidad sin cargo adicional. Si necesita un asistente de cuidados personales, llame al (928) 783-2235 con un día de anticipación. La tarifa es de \$10.00 por hora.

Enterprise Rideshare y vRide. La furgoneta debe salir, llegar o viajar por el condado de Yuma para poder acceder al subsidio. Para obtener más información sobre el transporte compartido de YCAT, llame, visite nuestro sitio web o lea el folleto de transporte compartido de YCAT.
