**Discussion and Action Item 1** 

To:	Yuma County Intergovernmental Public Transportation Authority
	Board of Directors
From:	Shelly Kreger, Transit Director
Subject:	Discussion and or action regarding the Community Transit
	Committee

<u>Requested Action</u>: Staff recommends that the Yuma County Intergovernmental Public Transportation Authority (YCIPTA) Board of Directors be requested to select one or two people from each of their respected jurisdictions to serve on the Community Transit Committee.

<u>Background and Summary</u>: The goal of the YCAT Community Transit Committee is to advise the Yuma County Intergovernmental Public Transportation Authority Board of Directors regarding public transit matters in Yuma County. If the selected to serve on the committee, YCIPTA staff will make a recommendation to the YCIPTA Board of Directors for appointment to this committee to serve staggered two-year terms.

The YCAT Community Transit Committee is advisory in nature and provides advice regarding the following matters:

- Acts as a sounding board for policies and plans.
- Provides a communication link between the residents of the service area and YCIPTA Board of Directors.
- Recommends plans, policies and procedures to the YCIPTA Board of Directors.
- Promotes agency accountability.
- Form community partnerships.
- Addresses other public transit matters as requested by the Board of Directors or staff.

Citizen input is essential to the success of a transportation planning process. Since the general public is both the user and the financier of YCAT, it is important for the community to participate in identifying transportation issues and comment on potential alternatives.

The idea for the concept of each Board Member to select an individual or two from their community came from a discussion with Chairperson Zambrano. YCIPTA has found it difficult to encourage the public to serve and felt that this may be a good opportunity to get the committee off the ground.

<u>Recommended Motion</u>: Staff recommends that the Yuma County Intergovernmental Public Transportation Authority (YCIPTA) Board of Directors be requested to select one or two people from each of their respected jurisdictions to serve on the Community Transit Committee.

Discussion and Actions Agenda Item 2

To:	Yuma County Intergovernmental Public Transportation Authority
	Board of Directors
From:	Shelly Kreger, Transit Director
Subject:	Discussion and or action regarding Health Insurance Premium increase for FY2021 and YCIPTA's contribution.

<u>Requested Board Action</u>: Staff recommends that the Yuma County Intergovernmental Public Transportation Authority (YCIPTA) Board of Directors approve the increase of YCIPTA's contribution towards employees and dependents health insurance premiums.

<u>Background and Summary</u>: Currently YCIPA offers the following under our benefit plan which has not be revised since 2015. YCIPTA pays a portion of the employee premium for medical, dental and vision coverage at a total of \$604. Employee is responsible for any amount above the \$604.00. Dependent health insurance monthly premiums are available upon request. YCIPTA will contribute \$125 per month into the employee's dependent's portion and \$90 per spouse of health insurance monthly premiums.

Since 2015 YABC Health Insurance premiums have increased approximately 35%. We currently have 7 employees on the YABC plan of which one employee on our payroll has employee and dependent premiums, the remainder are employee only. All of our employees are currently under Plan B, which is the least expensive of the two plans. It is open enrollment time ending mid-May and is the reason why we are bringing to the board at this time.

With such an increase in the premiums it is going to make it a real hardship on our employees to make up the difference. As you will see on the attached spreadsheet I have the increased rates with no change in YCIPTA contributions, the current rates with current contributions and finally the increased rates with the increased YCIPTA contribution.

The requested increase in YCIPTA contributions would be as follows:

Employee:\$604 - increase to \$804Spouse:\$90 - increase to \$190Dependent:\$125 - increase to \$225

The increase in YCIPTA's contribution would alleviate the 35% increased burden on the employees and it would also give them a small reduction from there current payroll deduction.

<u>Recommended Motion</u>: That the Yuma County Intergovernmental Public Transportation Authority Board of Directors approve the increase of YCIPTA's contribution towards employees and dependents health insurance premiums.

Fiscal Impact: Increase of \$25,248 in next FY21 budget

Legal Counsel Review: None.

<u>Requested Action</u>: Staff recommends that the Yuma County Intergovernmental Public Transportation Authority (YCIPTA) Board of Directors approve the release of the Vanpool Program RFP.

<u>Background and Summary</u>: YCAT Vanpool service for YCIPTA began in 2013. Service is available to commuters who live and/or work in Yuma County, Arizona or if the daily Vanpool route traverses any part of Yuma County. Fixed and operating costs for Vanpool vehicles, including gasoline, are shared by the riders. Some employers who encourage vanpool transportation for their employees subsidize a portion of the monthly cost. The successful Contractor will receive a \$300.00 per month, per van subsidy from YCIPTA.

The vanpool service has been provided by Commute with Enterprise since 2013, who was previously vRide. It has been a successful service but due to Federal Procurement regulations we are required to seek new proposals.

# **INTRODUCTION**

The Yuma County Intergovernmental Public Transportation Authority (YCIPTA) formed on December 13, 2010 by the Yuma County Board of Supervisors to administer, plan, operate and maintain public transit services throughout Yuma County, including within the political jurisdictional boundaries of the Cities of Yuma, San Luis, Somerton, Town on Wellton and the unincorporated Yuma County areas. Service is also provided on the Cocopah and Fort Yuma Indian Reservations as well as eastern Imperial County, including the unincorporated community of Winterhaven and El Centro, California.

Yuma County Area Transit (YCAT) is the marketing name for the YCIPTA and the fixed route transit system. YCAT OnCall is the marketing name for the demand responsive transit system. YCAT began in 2002 as a rebranded effort from what was previously known as Valley Transit. Greater Yuma Area Dial-A-Ride (now YCAT OnCall) began in 1999 and was the county's first public transportation service. The Yuma Metropolitan Planning Organization (YMPO) has been the administrator of public transit service in Yuma County since 1999 utilizing Federal Transit Administration (FTA) funding that has been available to the Yuma Urbanized Area since 1980 when the urbanized area exceeded 50,000 in population.

YCAT operates eleven fixed routes and a demand responsive service throughout the southwestern quadrant of Yuma County. YCAT operates Monday-Friday from 5:50 am to approximately 7:30 pm with headways every 60 minutes and limited service continuing until 11:30 pm from Arizona Western College. Saturday service is available from 9:10 am to 6:30 pm with headways every 60 minutes. There is no service on Sundays or major holidays at this time. These services are provided under a contractual arrangement with RATP Dev USA.

# ABOUT YUMA COUNTY

Yuma County has a colorful history, which lives on today in a fast-growing, vibrant community. In 1540, just 48 years after Columbus discovered the New World, 18 years after the conquest of Mexico by Cortez, and 67 years before the settlement of Jamestown, Hernando de Alarcon visited the site of what is now the current YCIPTA of Yuma. He was the first European to visit the area and to recognize the best natural crossing of the Colorado River. Much of Yuma County's later development occurred because of this strategic location.

From the 1850's through the 1870's, steamboats on the Colorado River transported passengers and goods to various mines, military outposts in the area, and served the ports of Yuma, Laguna, Castle Dome, Norton's Landing, Ehrenberg, Aubry, Ft. Mohave and Hardyville. During this time stagecoaches also carried the mail and passengers on bone-jarring rides through the area.

For many years, Yuma served as the gateway to the new western territory of California, which brought thousands from around the world in search of gold, or those who had it. In 1870, the Southern Pacific Railroad bridged the river. Yuma became a hub for the railroad and was selected as the county seat in 1864.

Yuma County is one of four original counties designated by the first Territorial Legislature. It maintained its original boundaries until 1983 when voters decided to split Yuma County into La Paz County in the north and a new "Yuma County" in the south.

The Ocean-to-Ocean Bridge (or Old Highway 80 Bridge) was the first vehicle bridge across the Colorado River. Prior to the construction of the bridge, cars were ferried across.

Yuma County is larger than the state of Connecticut. Much of Yuma County's 5,522 square miles is desert land accented by rugged mountains. Several river valley regions, however, contain an abundance of arable land which is irrigated with water from the Colorado River.

These valley areas have some of the most fertile soils in the world, having received silt and mineral deposits from Colorado and Gila River floods until the rivers were tamed by an intricate series of dams and canals.

Farming, cattle raising, tourism, and two military bases, US Marine Corp Air Station (MCAS) and US Army Yuma Proving Ground (YPG) are Yuma County's principal industries.

Some of the major attractions in Yuma County are the historical Territorial Prison, the Yuma Crossing Historic Park. Other great places to visit are the Kofa Mountain Range and Wildlife Refuge, and Martinez and Mittry Lakes.

Hunting is a popular sport, as the county offers a variety of different types of game. Major rivers in Yuma County are the Gila and the Colorado, the two most historic rivers in the Southwest.

The Marine Corps Air Station (MCAS), shares one of the longest runways in the country with the Yuma International Airport. Yuma has some of the cleanest skies and best flying weather in the United States.

Yuma County is bordered by California on the West and Mexico on the South. Living close to the Mexican border offers a great opportunity to experience multi-cultural and international business opportunities.

Arizona Western College (AWC) is located in Yuma County. This is a two-year community college, which offers higher education to full-time and part-time on-campus and off-campus students. AWC shares its campus with a satellite campus of Northern Arizona University (NAU) and University of Arizona (UA), offering a variety of two year, four year and post graduate programs.

Yuma County has a year-round population of 195,751 residents. During the winter, the population increases by about 90,000 due to the sun-seeking Winter Visitors affectionately known as "Snowbirds".

# **OBJECTIVE OF THIS RFP & SCOPE OF WORK**

YCIPTA seeks a contactor to assist in the provision of commuter vanpool services for Yuma County. This program is a demonstration that is grant funded with Federal Transit Administration (FTA) section 5307 funds. YCIPTA will commit to one year operation and if the program is successful, extend the program up to five years.

Proposals should contain a work plan that describes how the Contractor intends to provide administrative services and assist in operations of the third-party Vanpool service as well provision of a Vanpool fleet. The work plan should be specific and detailed enough to demonstrate that the Contractor has a thorough knowledge of Vanpool operations in a Transportation Demand Management (TDM) environment and in organizing and managing fleet operations. In the case of joint proposals or subContractors, the role of each firm should be clearly identified.

YCAT Vanpool service for YCIPTA began in 2013. Service is available to commuters who live and/or work in Yuma County, Arizona or if the daily Vanpool route traverses any part of Yuma County. Fixed and operating costs for Vanpool vehicles, including gasoline, are shared by the riders. Some employers who encourage vanpool transportation for their employees subsidize a portion of the monthly cost. The successful Contractor will receive a \$300.00 per month, per van subsidy from YCIPTA.

The third-party Vanpool service is modeled after successful programs that have been established in other urban areas. The Contractor shall function as an independent Contractor, provide vehicles, insurance, handle fleet management, at times, assist in program marketing, coordinate Vanpool driver agreements and collection of passenger fares and relieve YCIPTA, and its clients, of all vehicle and invoicing related responsibilities. The CONTRACTOR agrees to carry out that work in compliance with the conditions stated in that U.S. DOL letter. The requirements of this subsection (1), however, do not apply to any contract financed with Federal assistance provided by FTA either for projects for elderly individuals and individuals with disabilities authorized by 49 USC § 5310(a)(2), or for projects for nonurbanized areas authorized by 49 USC § 5311. Alternate provisions for those projects are set forth in subsections (b) and (c) of this clause.

(b) <u>Transit Employee Protective Requirements for Projects Authorized by 49</u> <u>USC: § 5310(a)(2) for Elderly Individuals and Individuals with Disabilities</u>: If the contract involves transit operations financed in whole or in part with Federal assistance authorized by 49 USC § 5310(a)(2), and if the U.S. Secretary of Transportation has determined or determines in the future that the employee protective requirements of 49 USC § 5333(b) are necessary or appropriate for the state and YCIPTA for which work is performed on the underlying contract, the CONTRACTOR agrees to carry out the Project in compliance with the terms and conditions determined by the U.S. Secretary of Labor to meet the requirements of 49 USC § 5333(b), U.S. DOL guidelines at 29 CFR Part 215, and any amendments thereto. These terms and conditions are identified in the U.S. DOL's letter of certification to FTA, the date of which is set forth Grant Agreement or Cooperative Agreement with the state. The CONTRACTOR agrees to perform transit operations in connection with the underlying contract in compliance with the conditions stated in that U.S. DOL letter.

(c) <u>Transit Employee Protective Requirements for Projects Authorized by 49</u> <u>USC: § 5311 in Nonurbanized Areas</u>: If the contract involves transit operations financed in whole or in part with Federal assistance authorized by 49 USC § 5311, the CONTRACTOR agrees to comply with the terms and conditions of the Special Warranty for the Nonurbanized Area Program agreed to by the U.S. Secretaries of Transportation and Labor, dated May 31, 1979, and the procedures implemented by U.S. DOL or any revision thereto.

(2) The CONTRACTOR also agrees to include the any applicable requirements in each subcontract involving transit operations financed in whole or in part with Federal assistance provided by FTA.

#### r) <u>Disadvantaged Business Enterprise (DBE)</u>

It is YCIPTA's policy to ensure nondiscrimination in the award and administration of U.S. DOT assisted contracts based on the requirements of 49 CFR Parts 21 and 26.

(2) DBE Obligation: The CONTRACTOR agrees to ensure that disadvantaged business enterprises as defined in 49 CFR Part 26 have the maximum opportunity to participate in the performance of contracts and subcontracts financed in whole or in part with Federal funds provided under this Agreement. In this regard all Contractors shall take all necessary and reasonable steps in accordance with 49 CFR Part 26 to ensure that disadvantaged business enterprises have the maximum opportunity to compete for and perform contracts. CONTRACTOR shall not discriminate on the basis of race, creed, color, national origin, age, or sex in the award of and performance of DOT assisted contracts.

S) State and Local Law Disclaimer. CONTRACTOR shall keep itself informed of, comply with, and shall cause all of its agents, employees, suppliers and subContractors of any tier to observe and comply with all applicable State and local laws, regulations, and policies, including, but not limited to, all applicable terms and conditions prescribed for third party contracts by the U. S. Department of Transportation (DOT) and the Federal Transit Administration (FTA). It is the Contractor's responsibility to know and to comply with all state laws and regulations and local ordinances relating to public works projects which in any manner affect those engaged or employed in the work, or the materials used in the work, or which in any way affect the conduct of the work. If Contractor discovers any discrepancy or inconsistency between the plans, drawings, specifications, or contract for the work and any law, ordinance,

regulation, order or decree; the CONTRACTOR shall immediately provide written notice to YCIPTA.

- t) Incorporation of Federal Transit Administration (FTA) Terms. The preceding provisions include, in part, certain Standard Terms and Conditions required by DOT, whether or not expressly set forth in the preceding contract provisions. All contractual provisions required by DOT, as set forth in FTA Circular 4220.1E, dated June 19, 2003, as amended, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. The CONTRACTOR shall not perform any act, fail to perform any act, or refuse to comply with any YCIPTA requests, which would cause YCIPTA to be in violation of the FTA terms and conditions.

The CONTRACTOR agrees to establish and u) implement a drug and alcohol testing program that complies with 49 CFR Parts 653 and 654, produce any documentation necessary to establish its compliance with Parts 653 and 654, and permit any authorized representative of the United States Department of Transportation or its operating administrations, the State Oversight Agency of Arizona, or YCIPTA to inspect the facilities and records associated with the implementation of the drug and alcohol testing program as required under 49 CFR Parts 653 and 654 and review the testing process. The CONTRACTOR agrees further to certify annually its compliance with Parts 653 and 654 before February 15<sup>th</sup> of each year and to submit the Management Information System (MIS) reports before February 15<sup>th</sup> to YCIPTA's Transit Director. To certify compliance the CONTRACTOR shall use the "Substance Abuse Certifications" in the "Annual List of Certifications and Assurances for Federal Transit Administration Grants and Cooperative Agreements," which is published annually in the Federal Register.
- v) Equal Employment Opportunity/Basic Requirements. In connection with the execution of this Agreement, the CONTRACTOR shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, age, or national origin. The CONTRACTOR shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, age, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. Contractor further agrees to insert a similar provision in all subcontracts, except subcontracts for standard commercial supplies or raw materials.
- w) <u>Labor Provisions</u>. (1) <u>Overtime Requirements</u>. No Contractor or subContractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any work week in which he or she is employed on such work to work in excess of eight hours in any calendar day or in excess of forty hours in such work week unless such laborer or mechanic receives compensation at rate not less than one and one-half times the basic rate of pay for all hours worked in

excess of eight hours in any calendar day or in excess of forty hours in such work week, whichever is greater.

(2) <u>Violation; Liability for Unpaid Wages; Liquidated Damages</u>. In the event of any violation of the clause set forth in subparagraph (b) (1) of 29 CFR Section 5.5, the CONTRACTOR and any subContractor responsible therefore shall be liable for the unpaid wages. In addition, such Contractor and subContractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such district or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (b) (1) of 29 CFR Section 5.5 in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of eight hours or in excess of the standard of work week of forty hours without payment of the overtime wages required by the clause set forth in subparagraph (b) (1) of 29 CFR Section 5.5.

(3) <u>Withholding for Unpaid Wages and Liquidated Damages</u>. DOT or YCIPTA shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any monies payable on account of work performed by the CONTRACTOR or subContractor under any such contract or any other Federal contract with the same prime Contractor, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime Contractor, such sums as may be determined to be necessary to satisfy any liabilities of such Contractor of subContractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (b) (2) of 29 CFR Section 5.5.

(4) <u>Nonconstruction Grants</u>. The CONTRACTOR or subContractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid. Further, YCIPTA shall require the contracting officer to insert in any such contract a clause providing that the records to be maintained under this paragraph shall be made available by the CONTRACTOR or subContractor for inspection, copying, or transcription by authorized representatives of DOT and the Department of Labor, and the CONTRACTOR or subContractor will permit representatives to interview employees during working hours on the job.

(5) <u>Subcontracts</u>. The CONTRACTOR or subContractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (5) of this paragraph and also a clause requiring subContractors to include these clauses in any lower tier subcontracts. The prime Contractor shall be responsible for compliance by any subContractor or lower tier subContractor with the clauses set forth in subparagraph (1) through (5) of this paragraph.

x) <u>Conflict of Interest</u>. No employee, officer, or agent of YCIPTA shall participate in selection or in the award or administration of a contract if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when the employee, officer or agent, any member of his immediate family, an organization which employs, or is about to employ, has a financial or other interest in the firm selected for award.

YCIPTA's officers, employees, or agents shall neither solicit nor accept gratuities, favors or anything of monetary value from Contractors, potential Contractors, or parties of subagreements.

y) <u>Breaches and Dispute Resolution</u>. All contracts in excess of \$100,000 shall contain provisions or conditions which will allow for administrative, contractual, or legal remedies in instances where Contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate. This may include provisions for bonding, penalties for late or inadequate performance, retained earnings, liquidated damages or other appropriate measures.

Disputes arising in the performance of this Agreement which are not resolved by agreement of the parties shall be decided in writing by the authorized representative of YCIPTA. This decision shall be final and conclusive unless within ten (10) days from the date of receipt of its copy, the CONTRACTOR mails or otherwise furnishes a written appeal to the YCIPTA Manager. In connection with any such appeal, the CONTRACTOR shall be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of YCIPTA Transit Director shall be binding upon the CONTRACTOR and the CONTRACTOR shall abide be the decision.

Unless otherwise directed by YCIPTA, CONTRACTOR shall continue performance under this Agreement while matters in dispute are being resolved.

**Claims for Damages** - Should either party to the Agreement suffer injury or damage to person or property because of any act or omission of the party or of any of his employees, agents or others for whose acts he is legally liable, a claim for damages therefore shall be made in writing to such other party within a reasonable time after the first observance of such injury of damage.

**Remedies** - Unless this contract provides otherwise, all claims, counterclaims, disputes and other matters in question between YCIPTA and the CONTRACTOR arising out of or relating to this agreement or its breach will be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the State in which YCIPTA is located.

**Rights and Remedies** - The duties and obligations imposed by YCIPTA Documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by YCIPTA, or CONTRACTOR shall constitute a waiver of any right or duty afforded any of them under the Agreement, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

Discussion and Actions Agenda Item 4

To:	Yuma County Intergovernmental Public Transportation Authority
	Board of Directors
From:	Shelly Kreger, Transit Director
Subject:	Action to authorize member agencies contributions for fiscal year 2020-2021

<u>Requested Board Action</u>: Staff recommends that the Yuma County Intergovernmental Public Transportation Authority (YCIPTA) Board of Directors authorize the request for member agency contributions in fiscal year 2020-2021.

<u>Background and Summary</u>: Last fiscal year during the budget process, the Board of Directors approved the member agency contributions and a process for determining contributions based on population and service miles of routes in a particular jurisdiction. At the Board of Directors request, the member agency contributions will remain the same as defined in the attachment.

The contributions made by the member agencies will support the Federal funding that YCIPTA receives from Yuma Urbanized Area and Arizona Department of Transportation (ADOT) as local match revenue. This request does not reflect inkind member contributions from the City of Yuma and Yuma County. Cash match is important for YCIPTA to pay its expenses and the contributions from the member agencies are critical. Staff will continue to use other creative strategies necessary such as entering into more social service agreements with social service agencies or generating more advertising sales necessary with the goal of reducing member agency contributions in the future, until a more stable, permanent matching source is identified. A summary of the local match requests from the member agencies are below:

Agency	Annual Funding	%
Yuma County	\$ 154,960	25.01%
City of Yuma	\$ 200,000	32.28%
City of Somerton	\$ 29,919	4.83%
Town of Wellton	\$ 14,499	2.34%
City of San Luis	\$ 70,573	11.39%
Cocopah Tribe	\$ 38,898	6.28%
Quechan Tribe	\$ 5,757	0.93%
Northern Arizona University	\$ 5,000	0.81%
Arizona Western College	\$ 100,000	16.14%
TOTAL	\$ 619,606	100.00%

The Board of Directors actions today would authorize staff to submit letter invoices to each of the member agencies for the requested amounts. Cocopah Indian Tribe, Quechan Indian Tribe, Arizona Western College and Northern Arizona University funding is based off memorandum of understandings that are updated each year based off their respective needs.

<u>Recommended Motion</u>: That the Yuma County Intergovernmental Public Transportation Authority Board of Directors authorize the request for member agency contributions for in fiscal year 2020-2021.

*<u>Fiscal Impact</u>*: Yes, the revenues collected would be deposited in the public transportation fund being held by the Yuma County Treasurer's Office.

**Discussion and Action Item 5** 

To:	Yuma County Intergovernmental Public Transportation Authority
	Board of Directors
From:	Shelly Kreger, Transit Director
Subject:	Discussion and or action regarding COVID-19 and the current status of YCAT Operations.

Requested Action: N/A

<u>Background and Summary</u>: On March 16, 2020 the first press release was issued to the public regarding YCIPTA's response to COVID-19 and the steps that where being implemented for heightened safety for passengers and staff to include vehicle cleaning practices and the recommended steps from the CDC regarding hygiene. At this time only the Silver 9 route was affected due to schools going online.

On March 19, 2020 the second press release was issued stating revised policies and procedures. All YCAT and OnCall services began fare free service to reduce driver exposure, rear door boarding when vehicle type allows and YCAT offices to be closed to the public. Greyhound customer who wish to purchase tickets will have to purchase online. Office staff will be manning the phones to continue customer service calls. No service reduction, besides the Silver route, was implemented at this time.

On March 25, 2020 the third press release was issued informing the public that as of March 30, 2020 YCAT fixed route will be implementing a modified Saturday service. YCAT OnCall was to operate as normal schedule. To assist with the social distancing passenger load was also limited. Every other seat was marked with no occupancy. In order to not leave people behind (Yellow Route) a tripper bus was initiated when needed to pick up the passengers that were left behind.

The protection of our community and employees is the top priority for YCIPTA/YCAT, while providing a critical service we also must stress the

importance of using the service only when absolutely necessary and limit unneeded contact and keeping with the recommended social distancing practices.

As of this last press release no other changes have been implemented to the service. With going to Saturday service there were many drivers that would not have runs and were going to have to be temporarily laid off. Instead of laying these drivers off we offered them to bid on other duties. These duties include bus washing/detail, bus stop cleaning/shelter maintenance, meeting the buses during they day at the transfer centers to disinfect the buses throughout the day and finally yard maintenance and cleaning the shop.

I would like to commend all of the drivers on how they have stepped up and have taken pride in the other duties that they have taken over. All of the office staff have noticed the positive attitudes in everyone and the worry of being laid off is no longer there. A positive in a really uncertain time.

In regards to PPE for all employees, it has been difficult to acquire mask, gloves and hand sanitizer. We were able to acquire a small supply from a local source. YCIPTA is a member of CALACT and they reached out to all of the membership offering a source to acquire single use mask, KN95 and hand sanitizer. BYD, a bus manufacturer is using one of its factories overseas to make these needed items and make them available for transit agencies. I was able to order 2,000 single use, 2,000 KN95 mask and 200 bottles of personal hand sanitizer bottles. The first partial order of 500 single use mask were delivered Wednesday the 22<sup>nd</sup>, we are waiting on the remainder of the order.

•YCAT vehicles will be cleaned daily, with additional deep cleaning using disinfectants as recommended by the Center for Disease Control (CDC).

• Disinfectant is used to wipe down high contact areas nightly.

#### Passengers are strongly encouraged to:

• Wash your hands often with soap and warm water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer.

- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people that are sick.
- If you are showing signs of illness, please stay home

• It is NOT recommended to wear a mask as this encourages more contact between your hands and face, which can help spread the disease.

• Avoid eating while on board.

All YCAT personnel will be sure to practice similar hygiene practices as described above. Please visit the CDC website <u>www.cdc.gov/coronavirus</u> for more information and other instructions for prevention.

#### FOR IMMEDIATE RELEASE March 19, 2020

**Yuma, AZ (March 18, 2020)** – Based on the current events surrounding the COVID-19 the Yuma County Intergovernmental Public Transportation Authority (YCAT) is implementing several revised policies and procedures, effective March 20 – April 3, 2020 or longer if needed. At this time, there are **no** other service reduction besides the Silver Route 9.

Public transit remains a critical lifeline during crisis events, connecting workers to the jobs that support community needs, and residents to health care and medical needs. In order to balance the need to protect YCAT employees while providing a vital public service, the following changes will start on March 20:

- YCAT bus and YCAT OnCall paratransit services will operate its regular schedule until further notice.
- All YCAT bus and YCAT OnCall paratransit services will be fare-free to reduce driver exposure by removing the contact point presented with the exchange and verification of fare.
- Current YCAT and YCAT OnCall passholders will be able to receive an extension on their pass for the period the system is fare-free. Details will be communicated as the fare-free period ends.
- To promote social distancing for YCAT and YCAT OnCall drivers, all riders will be asked to board and alight the bus at the rear door, if the bus is equipped with rear door entry. Anyone requiring the ramp can still board through the front door.
- The YCAT headquarters facility at 2715 E. 14<sup>th</sup> St, Yuma, AZ. will be closed to the public and no guests will be allowed on property. Because the system will be fare-free, this eliminates the need for public pass sales, and alternate plans are being made for all other services provided to the public at the Front Desk. Customer service via phone will still be available on weekdays from 8 a.m. 6 p.m. and on Saturdays from 9 a.m. 6 p.m. at 928-783-2235 option 1.
- For Greyhound customers who wish to purchase tickets will now do so online at <u>www.greyhound.com</u> or Greyhound customer service can be reached at (928)783-4403 or 1-800-231-2222 if you need assistance.
- Apart from items of value (cell phones, keys, jewelry, etc.) Lost and Found items will not be kept and will be disposed of daily. Items of value will be turned in and recorded at the YCAT Office daily. The handling, storage, and retrieval of Lost and Found items is another significant point of exposure for YCAT staff, and one that is necessary to eliminate during this time period. Riders are highly encouraged to keep track of their belongings and check their seat area before leaving the bus.

The protection of our community and employees is a top priority for YCIPTA/YCAT, while providing a critical service we also must stress the importance of using this service only when absolutely necessary and limit unneeded contact and keeping with the recommended social distancing practices.

April 27, 2020

Discussion and Action Item 6

To:	Yuma County Intergovernmental Public Transportation Authority
	Board of Directors
From:	Shelly Kreger, Transit Director
Subject:	Discussion and or action regarding the CARES Act Apportionment for
	transit (5307 & 5311) funding

Requested Action: N/A

<u>Background and Summary</u>: On Friday, March 27, 2020, President Trump signed the <u>Coronavirus Aid, Relief, and Economic Security (CARES) Act</u> into law. The CARES Act provides emergency assistance and health care response for individuals, families and businesses affected by the COVID-19 pandemic and provide emergency appropriations to support Executive Branch agency operations during the COVID-19 pandemic.

FTA is allocating \$25 billion to recipients of urbanized area and rural area formula funds, with \$22.7 billion to large and small urban areas and \$2.2 billion to rural areas. Funding will be provided at a 100-percent federal share, with no local match required, and will be available to support capital, operating, and other expenses generally eligible under those programs to prevent, prepare for, and respond to COVID-19.

Operating expenses incurred beginning on January 20, 2020 for all rural and urban recipients, even those in large urban areas, are also eligible, including operating expenses to maintain transit services as well as paying for administrative leave for transit personnel due to reduced operations during an emergency.

As seen in the table below the 5307 recipients in the state of Arizona received a total of \$35.7 million dollars. As you can see Yuma received \$8,136,964 plus an additional \$60,000 in Yuma/CA UZA. Of the agencies listed below there are three that do not operate a transit system currently. With the normal year apportionments, the three agencies that do not operate transit return their funds to ADOT. It is then put into a pot of funds that the other agencies can competitively

apply for. After discussion with all of the agencies and ADOT it was requested of ADOT that the remaining funds of the CARES Act be proportionately split with the operating agencies using the current formula. The funds that could potentially be available for split is \$8,494,828 between the remaining four agencies. At this time ADOT has encouraged us to go ahead and apply for our apportionment and additional funds can be added later when they decide what the process will be.

Arizona	<u>\$35,700,404</u>
Avondale-Goodyear, AZ	\$9,620,003
Casa Grande, AZ	\$2,572,245
Flagstaff, AZ	\$7,202,736
Lake Havasu City, AZ	\$2,329,937
Prescott Valley-Prescott, AZ	\$3,592,646
Sierra Vista, AZ	\$2,245,873
Yuma, AZ-CA	\$8,136,964

There is no expiration date of these funds, but we are encouraged to use this money as quickly as possible. As stated previously these funds can be used for operating (normally 50%/50% match), capital and other expenses (usually 80%/20% match).

In addition to the 5307 CARES apportionment there is also 5311 Rural Area apportionment. Arizona received \$41,730,201 in 5311 CARES funding. Normal apportionment is around \$12,000,000. We have not received word from ADOT as to the amount of YCIPTA's allocation, but should soon. YCIPTA's usually receives around \$2.4 million each year in 5311 funding which is about 15% of the total awarded to the state.

More information should be available in the next few weeks on how much additional funding will be made available to our agency.

On April 22, 2020 APTA released a Legislative Update which is as follows:

## FTA Waives Local Match for COVID-19 Expenses

This week, in updated responses to Frequently Asked Questions (FAQs), the Federal Transit Administration (FTA) announced that it has waived the remaining local share requirement for previously appropriated Urbanized Area Formula Grants (49 U.S.C. § 5307) and Rural Area Formula Grants (49 U.S.C. § 5311) for COVID-19-related expenses. This 100 percent federal share applies to all FY 2020 and prior year funds under these formula programs and is available for operating expenses or capital projects. However, this authority is only available for COVID-19-related expenses.

In an earlier FAQ posted in March, FTA had permitted previously appropriated funding under § 5307 or § 5311 programs to be used at an 80 percent federal share for COVID-19-specific capital or operating expenses. Under normal circumstances, operating expenses are only eligible for a 50 percent share, and large urban areas are not able to use these funds for operating expenses.

In addition, in its updated FAQ, FTA clarified that the increased federal share and expanded eligibilities apply to all available § 5307 and § 5311 funds stating that "Section 5307 and Section 5311 funding that has not already been disbursed by the recipient or passed its period of availability may be used for COVID-19 response at the increased Federal share of 100%." FTA also stated that "recipients that have open Section 5307 or Section 5311 awards that are within their period of availability, and otherwise would be available to be amended or have the budget revised, may use those funds at the increased federal share for COVID-19 response." Finally, FTA stated that any new applications for awards may use the increased federal share without regard to the funding account year.

To view FTA's updated FAQs, please **click here**. See FTA's Responses to Questions ER16 – ER20.

With this information being just released, staff is continuing to research and read all of the new information to be able to understand exactly how we need to proceed with our current open grants.
