Ms. Krey stated that there is some out there but that it all comes down to who is the primary applicant and because we are a collaboration it is considered a rural environment and there is less of a match that has to be met.

Mr. Simonton questioned if an action had to be taken right now or if a grant came up then, it would be brought upon the Board.

RE: CalVans Service In Yuma County, Arizona

Dear Ms. Landecho,

The Yuma County Intergovernmental Public Transportation Authority ("YCIPTA") is the operator of YCAT, commonly known as Yuma County Area Transit, which provides public transit services throughout Yuma County. YCAT serves transportation needs for those who may not have the means to access jobs, health care or recreation opportunities in southwestern Yuma County.

YCIPTA recognizes that CalVans focuses on helping farm workers in Yuma County during the region's growing season helps to fill one of the areas transportation needs

YCIPTA understands that CalVans does not, nor will seek funding from YCIPTA for the transportation being provided by CalVans. CalVans will limit its services to providing vanpools for farm workers who temporarily work in the area for the winter season.

YCIPTA supports CalVans efforts in reducing Vehicle Miles Traveled (VMT) and unlicensed drivers through its vanpooling efforts in Yuma County and has no concern regarding CalVans vehicles operating within Yuma County.

Should you have any questions regarding this letter, please don't hesitate to me at 928.304.2297 or email skreger@ycipta.az.gov.

Sincerely,

Transit Director
