Welcome Aboard!

YCAT is the only public transportation authority in the area. Our mission is to provide safe, reliable, convenient and accessible public transportation for all people to have access to work, employment opportunities, education, medical care and other essential services. All services are provided to all YCAT passengers, including individuals with disabilities. YCAT operates to the highest standards of safety, equity, efficiency and effectiveness.

Fares and Passes – Effective October 24, 2013

• Active military members and their dependents on Active Duty
• First responders (including police, fire, 911 dispatchers)

Rules of the Road

Riding YCAT

YCAT is your bus system! YCAT is the only public transportation authority in the area. It is the only system that offers all citizens and visitors convenient, accessible and on-time public transportation to work, education, healthcare, entertainment and other essential services.

Connections

Connections are available to the Yuma Regional Airport, bus and train stations, NASA, YUMA Proving Ground, universities, shopping centers, medical facilities, government offices and other destinations.
