Dear Judy and Mark,

Based on YCIPTA Board of Directors action on Monday, January 28, 2019, I am pleased to advise that Genfare has been awarded the contract for Automated Fare Collection System, including Automated Passenger Counter.

Please treat this notice as your official notice to proceed and start the implementation plan based upon your proposal and coordinate activities with Solutions for Transit.

YCIPTA is very excited in regard to entering this new relationship with Genfare and look forward to an excellent relationship in regard to bringing the YCAT system into the current century with our new fare collections system.
